FELLOWSHIP NOTICE

The European Fellowship

The association of collegiate alumnæ is desirous of encouraging the pursuit of advanced courses of study among women graduates of colleges. It therefore proposes to devote five hundred dollars every year toward paying the expenses of some young woman who wishes to carry on her studies in a foreign country. Applications for this fellowship will be received by any member of the committee having it in charge. The candidates must be graduates of colleges belonging to the association, and applications for the year 1904–1905 must be handed in before February 1 1904. The fellowship will be awarded only to candidates who give promise of distinction in the subjects to which they devote themselves. It will be the aim of the committee to appoint the candidate who is best fitted for the position through original gifts, previous training, energy, power of endurance and health. To this end they will receive applications in writing from eligible candidates who will present, as clearly as possible, their claims to the fellowship. A competitive examination will not be held, but the bestowal of the fellowship will be based upon evidence of the candidate's ability and of her prospect of success in her chosen line of study. Such evidence will naturally consist of (*a*) her college diploma; (*b*) testimonials as to superior ability and high character from her professors and other qualified judges; (*c*) satisfactory evidence of thoroughly good health; (*d*) a statement of the work in which she proposes to engage subsequently; (*e*) *last, and of chief importance,* examples of her scientific or literary work in the form of papers or articles or accounts of scientific investigations which she has carried out. The fellowship will not usually be granted to those who are intending to take up the practice of any of the three learned professions, though such are not formally excluded from the competition; it will rather be bestowed upon those who are looking forward to positions as professors and teachers and to literary and scientific vocations. The fellowship will in general be held for one year, but in an unusually promising case the term may be extended at the discretion of the committee.

Bessie Bradwell Helmer
1428 Michigan avenue Chicago Ill..

The Woman's Education Association of Boston, inviting the co-operation of the fellowship committee of the A. C. A., has offered and awarded fellowships during the past eleven years. The conditions governing application for this fellowship are similar to the conditions governing the European fellowship of the A. C. A. For 1904–1905 the committee will give one fellowship of five hundred dollars. Applications for this fellowship must be handed in to the chairman before February 1 1904. For circulars, apply to the chairman of the committee,

Mrs N. P. Hallowell

Cushing, Alice Freeman Palmer, Helen Hiscock Backus, Bessie Bradwell Helmer, Annie Howes Barus, Martha Foote Crow, Marion Talbot and Alice Upton Pearmain, their associates and successors, are hereby constituted a body corporate by the name of the ASSOCIATION OF COLLEGIATE ALUMNÆ, for the purpose of uniting the alumnæ of different institutions for practical educational work, for the collection and publication of statistical and other information concerning education, and in general for the maintenance of high standards of education.

SEC. 2. Said corporation is hereby granted all the powers, rights and privileges and is made subject to all the duties, restrictions and liabilities set forth in chapter one hundred and fifteen of Public Statutes,* and in all other general laws now or hereafter in force applicable to such corporations and not inconsistent with this act.

SEC. 3. SEC. 4. Said corporation shall have authority to determine at what times and places, within or without the commonwealth, its meetings shall be held, and the manner of notifying the members to convene at such meetings; and also from time to time, in such manner as the by-laws may provide, to elect a president, vice-presidents, directors, trustees and such other officers as may be found necessary, and to declare the duties and tenures of such officers. Said corporation may provide by its by-laws that its officers shall be chosen by ballots distributed by mail or otherwise, or may provide for any other manner of electing its officers.

SEC. 5. Branch associations may be formed according to such by-laws as the corporation may adopt, and representation of such branch associations may be given in the said corporation for the election of officers and for such other purposes as the by-laws may provide.

SEC. 6. This act shall take effect upon its passage.
